## REFEREE'S REPORT

REFEREE'S COMMENTS

During the warm-up before the match against the guest team, Kuwait we determined that their player, jersey number 12, was on the field of play with a hearing aid, and the home team, Spain, also objected to the issue. However, before the match started, Kuwait team officials decided to place number 12 on the team match was played because the player was not accredited and name wasn't on the team list.
